LB 948, 1078

CLERK: LB 948, Madam President, introduced by the Judiciary Committee. (Read title.) Introduced in January, it was referred to Health and Human Services, advanced to General File. I have no amendments to the bill.

SENATOR LABEDZ: Senator Conway, on the advancement of LB 948.

SENATOR CONWAY: Madam Speaker and members, LB 948 is a bill that was introduced by the Judiciary Committee at the request of the Court Administrator's Office.
